

NAHC 28th Annual Meeting and Exposition October 10-14, 2009 – Los Angeles, CA

New Product Technology Showcase Form

The New Product/Technology Showcase is the ideal place to highlight any new products or services your company plans to feature or launch at NAHC's 28th Annual Meeting. The New Product Technology Showcase is also an excellent way to build additional traffic at your booth inside the exhibit hall.

The Showcase will be located strategically in high traffic areas near the exhibit hall at the Los Angeles Convention Center, Los Angeles, California. Only exhibitors at NAHC's 28th Annual Meeting will be able to take advantage of this extra exposure. Showcase is displayed on NAHC's website at www.nahc.org.

Your product, identification sign and booth number will be displayed. You can also provide a description of your product to be included in the case.
